Applicants with B.Tech. degree from IITs and CGPA \geq 8 are also shortlisted for the written exam. For full-time regular candidates, selection to the MTech programme will be through an aptitude test to be held on May 18, 2018 at IIT Delhi. For part-time and sponsored candidates, selection will be through an interview to be held on May 18, 2018. These candidates will have to bring all original documents along with NOC in IIT Delhi prescribed format failing which they may be not allowed to appear in the interview.

[#]Note: (a) For colleges where the percentage (P) system is followed, candidates should check the cut-off criteria in GPA (G) using the formula: $G = \frac{P}{10}$. For GPA with scales of other points, a linear interpolation will be used, i.e., $G = 10 \times G_x / X$ where G is the GPA on 10 point scale and G_x is the GPA on 'X' point scale. (b) Rounding-off to the nearest decimal will not be allowed.
